For dates of service beginning on or after July 1, 2014 and ending on December 31, 2017, subject to this subsection and subsections (2), (3), and (4), there is levied upon and there shall be collected from every carrier and third party administrator an assessment of 0.75% on that carrier's or third party administrator's paid claims. For dates of service beginning on or after July 1, 2014 and ending on December 31, 2017, subject to this subsection and subsections (2), (3), and (4), the assessment levied under this subsection will increase to 1.0% if the federal government informs this state that the use tax revenues assessed on entities under section 3f of the use tax act, 1937 PA 94, MCL 205.93f, will not be federally reimbursed. If the assessment is increased as provided in this subsection, the increased assessment levied is effective on the date that the federal government informs this state that the revenue collected from the use tax assessed on medicaid managed care organizations under section 3f of the use tax act, 1937 PA 94, MCL 205.93f, will not be federally reimbursed. For the purposes of this subsection, a fiscal quarter begins on the first day of January, April, July, or October.

(3) All of the following apply to a group health plan that uses the services of a third party administrator or excess loss or stop loss insurer:

(d) If there is both a third party administrator and an excess loss or stop loss insurer servicing the group health plan, the third party administrator is responsible for all assessments for paid claims that are not reimbursed by the excess loss or stop loss insurer and the excess loss or stop loss insurer is responsible for all assessments for paid claims that are reimbursable to the excess loss or stop loss insurer.

(4) The assessment under this section shall not exceed \$10,000.00 per insured individual or covered life annually.

(5) To the extent an assessment paid under this section for paid claims for a group health plan or individual subscriber is inaccurate due to subsequent claim adjustments or recoveries, subsequent filings shall be adjusted to accurately reflect the correct assessment based on actual claims paid.

(6) Through June 30, 2014, if the assessment under this section collects revenue in an amount greater than \$400,000,000.00, adjusted annually by the medical inflation rate since 2011, each carrier and third party administrator that paid the assessment shall receive a proportional credit against the carrier's or third party administrator's assessment in the immediately succeeding year. Beginning July 1, 2014, if the sum of the assessment under this section and the portion of the use tax assessed on entities under section 3f of the use tax act, 1937 PA 94, MCL 205.93f, that is dedicated to the general fund, less the general fund amount necessary to reimburse those entities for the cost of the use tax, is greater than \$400,000,000.00, as adjusted annually by the medical inflation rate since 2011 but not to exceed an amount greater than \$450,000,000.00, each carrier and third party administrator that paid the assessment shall receive a proportional credit against the carrier's or third party administrator's assessment in the immediately succeeding year. The department shall send a notice of credit to each carrier or third party administrator entitled to a credit under this subsection not later than July 1. A carrier or third party administrator entitled to a credit under this subsection shall apply that credit to the July 30 payment. Any unused credit shall be carried forward and applied to subsequent payments. If a carrier or third party administrator entitled to a credit under this subsection has no liability under this act in the

immediately succeeding year or if this act is no longer in effect, the department shall issue that carrier or third party administrator a refund in the amount of any unused credit. If a third party administrator receives a credit or refund under this subsection, the third party administrator shall apply that credit or refund to the benefit of the entity for which it processed the claims under a service contract.
